Tushar

Game Developer/ XR Developer

tusharchand2806@gmail.com
+91 6306814063
Kanpur, Uttar Pradesh

Introduction:

I build games, interactive experiences, and immersive XR applications using Unity and C#. My work spans Game Development, XR/VR, educational simulations, AI-powered interactive applications, WebGL, Android, and production content systems. I enjoy building things from scratch, solving technical problems, and turning ideas into experiences that people can actually play and interact with.

Education:

Bachelor of Technology (B.Tech), Mechanical Engineering

DR. APJ Abdul Kalam Technical University, Lucknow

2018 - 2022

Senior Secondary (XII), Science

B.N.S.D. Inter College, Kanpur (U.P. BOARD), Year of completion: 2018, Percentage: 81.00%

Diploma, Computer Application

Smart Infotech 2015 - 2017 Percentage: 77.30%

Secondary (X)

P.S.G.M. Arya Nagar Inter College, Kanpur (U.P. BOARD), Year of completion: 2016 Percentage: 86.00%

Jobs/Internships:

Senior Project Associate (VR Development)

Virtual Labs IIT Kanpur, fulltime Nov 2025 – May 2026

Developed interactive VR simulations for educational experiments in materials science and microscopy. The project covered nine experiments ranging from VR fundamentals and microscope operation to material characterization, sample preparation, microstructure observation, quantitative microscopy, and grain-size analysis.

Game and XR Developer

OAKS Hyderabad, fulltime May 2022 – Aug 2025

Worked as a Unity Game Developer. My role included, developing new games from scratch, designing, maintaining and building code architecture, and bringing a game or XR experience to life from provided GDD.

Unity Developer and Graphic Designer Internship

Kresko Labs, Virtual Jul 2021 - Dec 2021

My responsibilities included developing apps and games for kids. I worked as a programmer and a UI designer.

Projects:

Titli, Jun 2023 – Aug 2025

https://play.google.com/store/apps/details?id=com.youroaks.kidztitli

Titli app is owned by OAKS. I have contributed to the project as part of my job.

PeekAZoo, Sep 2024 – Aug 2025

https://play.google.com/store/apps/details?id=com.youroaks.kidz

PeekAZoo app is owned by OAKS. I have contributed to the project as part of my job.

Certifications:

Unity VR Development, Unity Technologies, Mar 2025

Unity VR Development Pathway for Game Developers

edX Verified Certificate for CS50's Introduction to Computer Science, edX, Oct 2024

https://courses.edx.org/certificates/6d224233e66d421487dd7ee033f252eb

CS50x teaches students how to think algorithmically and solve problems efficiently. Topics include abstraction, algorithms, data structures, encapsulation, resource management, security, software engineering, and web development.

Meta AR Developer Professional Certificate, Coursera, Sep 2023

https://coursera.org/share/5b68bf5cdc1adfa05377fee86585caa2

Meta's Augmented Reality Developer Professional Certificate Specialization

Google Project Management Professional Certificate, Coursera, Mar 2022

https://coursera.org/share/82e060bcfb546f1b87bd8519c9f364d4

Google's Project Management Professional Certificate Specialization
